Dear Robert:

An article that ACM published bears the notation:

Copyright 2001 ACM 1-58113-448-7-11/14/01

It was presented at an ACM conference held November 15-16 2001.

Was the article published on 11/14/2001?

My question is whether papers to be presented at a conference are published by ACM before the conference takes place.

Thank you.
